

# WAVit Cash Discount

**MAKE YOUR BUSINESS EVEN MORE PROFITABLE.**

**STOP PAYING TO ACCEPT CARDS – WE CAN SAVE YOU THE FEES & INTERCHANGE COSTS.**

We're proud to announce our new **WAVit** program. With **WAVit**, your business is able to keep more of the revenue you generate. For a low, flat monthly fee, your business gets unlimited processing. Accept all the major card brands and eliminate the fees associated with accepting cards.

## **How It Works**

The fees and interchange costs you're currently paying will be covered by a non-cash adjustment, based on the size of the transaction. In this way, our WAVit program helps you grow your business, offer your customers more ways to pay, and adds to your bottom line.

**For more information on getting started with WAVit contact:**
